

## Douglas Grant Fish, M.D.

12/02

### *Curriculum Vitae*

**ADDRESS:** Albany Medical College  
47 New Scotland Avenue, Mail Code: 158  
Albany, NY 12208

**PHONE:** \_\_\_\_\_

**BIRTHDATE:** \_\_\_\_\_

**BIRTHPLACE:** \_\_\_\_\_

#### **EDUCATION:**

##### Residency:

Internal Medicine, University of Tennessee Medical Center  
Knoxville, Tennessee, 8/90 – 1/92

##### Fellowship:

Infectious Disease, University of Arizona Health Sciences and Tucson Veterans  
Administration Hospital  
Tucson, Arizona, 7/88 – 6/90

##### Internships:

Internal Medicine, University of Arizona Health Sciences  
Tucson, Arizona, 7/87 – 6/88

Family Practice, St. Joseph's Medical Center  
South Bend, Indiana, 7/86 – 6/87

##### Medical School:

Ohio State University College of Medicine  
Columbus, Ohio, 9/82 – 6/86  
Medical Doctorate, 6/86

##### Undergraduate:

Texas Christian University  
Fort Worth, Texas, 8/78 – 5/82  
Bachelor of Science, 5/82 *Summa Cum Laude*

#### **HONORS:**

Employee of the Year  
Albany Medical Center, 1/00

Medical Resident Teaching Award  
Albany Medical College, 7/98

Outstanding Resident Award  
University of Tennessee Medical Center in Knoxville, 1991

**Douglas Grant Fish, M.D.***Curriculum Vitae*

- 2 -

Honors in Emergency Medicine, Nephrology, Pediatric Surgery, and Primary Care  
Ohio State University College of Medicine, 1985

Letter of Commendation in Internal Medicine, Medical Intensive Care, and Pediatrics  
Ohio State University College of Medicine, 1985

Roessler Research Grant  
Ohio State University College of Medicine, 1983

Research Internship in Neurology  
National Institutes of Health, Fall, 1981. through Texas Christian University

---

**BOARD CERTIFICATION:**

Board Certified in Infectious Diseases, 11/94

Board Certified in Internal Medicine, 9/92

**MEDICAL LICENSURE:**

New York, 1/31/94 – present

Tennessee, 7/6/92; retired license

**PROFESSIONAL EXPERIENCE:**

Medical Director, Designated AIDS Treatment Center  
Albany Medical College, Albany, NY 4/98 – present

Division Head, Division of HIV Medicine  
Albany Medical College, Albany, NY 4/98 – present

Medical Director, Locked In-patient Unit, C-3W  
Albany Medical Center, Albany, NY, 2/97 – present

Medical Director, In-patient HIV Unit, C-4  
Albany Medical Center, Albany, NY, 5/94 – present

Assistant Professor, Department of Medicine, Divisions of HIV Medicine and Infectious Disease  
Albany Medical College, Albany, NY, 1/94 – present

Research Director, Division of HIV Medicine  
Albany Medical College, Albany, NY, 1/98 – 9/98

Section Head, Division of Tuberculosis and Sexually Transmitted Diseases  
Knox County Health Department, Knoxville, TN, 11/92 – 1/94

Mountain Community Health Center  
Coalfield, TN; *Locum tenens* from 8/92 – 12/93

**Douglas Grant Fish, M.D.***Curriculum Vitae*

- 3 -

**COMMITTEES AND OFFICES:**

American Association of HIV Medicine, 2001 - present  
Infectious Disease Society of America, 2000 - present  
Member, State AIDS Services Delivery Consortium Advisory Council  
8/99 - present  
Member, New York State AIDS Drug Approval Program (ADAP) Advisory Panel  
4/99 - present  
Head, Inmate Adherence Committee  
Albany Medical Center, Albany, NY, 4/98 - present  
Member, International AIDS Society - USA, 1998 - present  
Pharmacy & Therapeutics Committee member  
Capital District Physicians Health Plan, Albany, NY, 1995 - present  
Quality Management Committee - QIT Co-leader  
Albany Medical Center, Albany, NY, 7/94 - present  
Member, American College of Physicians, 1994 - present  
Infection Control Committee  
University of Tennessee Medical Center, Knoxville, Tennessee, Fall, 1990 - 1/92

**PUBLICATIONS / PUBLIC TELEVISION:**

Fish, DG, Executive Producer, Women's HIV Videotape Initiative: A Strategy to Increase HIV Testing and Medication Adherence and Promote an Understanding of Women's Health Issues, December 2001, a collaborative project among AMC DHIVM, the New York State Department of Correctional Services, and the pharmaceutical industry.

Fish, DG, Executive Producer, *The Difference Begins With Me: HIV Education Videotapes for Spanish-speaking Inmates*, June 2001, a collaborative project among AMC DHIVM, the New York State Department of Correctional Services, the New York State Department of Health's AIDS Institute and the pharmaceutical industry.

Fish, DG, Executive Producer, *The Inmate Adherence Videotape Series: A Strategy to Increase HIV/AIDS Medication Adherence in Correctional Settings*, May 2000, a collaborative project among AMC DHIVM, the New York State Department of Correctional Services and the pharmaceutical industry.

Arguinchona HL, Ampel NM, Dols CL, Galgiani JN, Mohler J, Fish, DG. Persistent coccidioid seropositivity without clinical evidence of active coccidioidomycosis in patients infected with human immunodeficiency virus. *Clinical Infectious Diseases* 1995;20:1281-1285

Fish DG, Mandel RM. The acutely ill HIV-positive patient, and Aseptic meningitis. In: Greene HL, Johnson WP, Maricic M.J. *Decision Making in Medicine*. St. Louis: Mosby - Year Book, 1993

Fish DG, Ampel NM, Galgiani JN, Dols CL, Kelly PC, Johnson CH, Pappagianis D, Edwards JE, Wasserman RB, Clark RJ, Antoniskis D, Larsen RA, Englander SJ, Peterson EA.

**Douglas Grant Fish, M.D.***Curriculum Vitae*

- 4 -

Coccidioidomycosis during human immunodeficiency virus infection: a review of 77 patients. *Medicine* 1990;69:384-391

Lifetime Medical Television – Family Medicine Update on AIDS, 5/89

**ABSTRACTS:**

**Fish DG, Walker SJ, Montstream-Quas SA, Luque A.** The Difference Begins with Me: An HIV Education Project. Poster presented at the International AIDS Conference, Barcelona, Spain, 7/02

**Fish DG, Faragon JJ, Walker SJ.** Telemedicine: An Innovative Modality to Increase Antiretroviral Therapy Knowledge in Correctional Pharmacists. Poster presented at the International AIDS Conference, Barcelona, Spain, 7/02

**Clifford, G, Fish DG.** Inmate Adherence: An Innovative Partnership. Poster presented at the XIII International AIDS Conference, Durban, S. Africa, 4/2000

**Pressel-Hass J, Fish DG, Whitney J, Miller J, Kosier M, Hanley E, Venezia R.** Use of an algorithm to isolate suspect TB patients in a tertiary care facility. Poster presented at the Association of Professionals in Infection Control and Epidemiology (APIC) national meeting, Baltimore, MD, 6/99

**Drabinski AD, Purdy BD, Fish DG, Piliero PJ.** A retrospective study to determine the incidence of hypercholesterolemia (HC) in HIV-infected patients on protease inhibitors (PI). Poster presented at the International Congress on Clinical Pharmacy, Orlando, FL, 4/99

**Fink MJ, Shaw J, Fish DG.** Pregnancy outcomes in HIV+ women: A 4-year observational study of 364 HIV+ women. Poster presented at The Twelfth World AIDS Conference, Geneva, Switzerland, 7/98

**Piliero PJ, Gianoukakis A, Wright L, Szebenyi S, Fish DG.** Autopsy findings in HIV-infected New York State inmates. Poster presented at The Fourth Conference on Retroviruses and Opportunistic Infections, 1/97

**Stein DS, Fish DG, Chodakewitz J, Emini E, Hildebrand C, Preston SL, Macdonald C, Drusano GL.** Follow-up data from an open label phase I evaluation of the HIV protease inhibitor MK-639. Poster presented at The Third Conference on Retroviruses and Opportunistic Infections, 1/96

**Stein DS, Fish DG, Chodakewitz J, Emini E, Hildebrand C, Preston SL, Martineau GL, Drusano GL.** A 24-week open label phase I evaluation of the HIV protease inhibitor L735524. Poster presented at The Second National Conference on Human Retroviruses and Related Infections, 2/95

**Petersen EA, Hersh E, Fish DG, Kaplan C.** Dose response study of daily diethyldithiocarbamate (DTC) in patients with AIDS. Poster presented at The Fifth International Conference on AIDS, Montreal, 6/89

**RESEARCH / PRINCIPAL INVESTIGATOR STUDIES:**

A Phase II/III 48-Week, Randomized, Double-Blind, Controlled, Multicenter Study to Evaluate the Efficacy and Safety of Lamivudine 300mg Once Daily vs. Lamivudine 150mg BID in Combination with Zidovudine 300mg BID and Efavirenz 600mg Once Daily in Antiretroviral-Naïve Adults with HIV-1 Infection, 9/99.

**Douglas Grant Fish, M.D.***Curriculum Vitae*

- 5 -

A randomized Phase IIIB comparative study to evaluate Saquinavir Soft Gel Capsule (SGC) TID regimen in combination with two Nucleoside Analogue Reverse Transcriptase Inhibitors (NRTI) versus Saquinavir SGC BID regimen in combination Nelfinavir BID plus a NRTI in HIV-1 infected patients, 9/97.

HIV/AIDS Client Cohort Study, 7/96

A multi-center, open label, randomized, 24-week study to compare the safety and activity of Indinavir Sulfate, 800mg q8h versus 1200 mg q12h, in HIV-infected individuals having plasma viral RNA less than 400 copies/ml, on concomitant therapy with two NRTI's, 2/98 – 9/98

A double-blind randomized, dose-response study of three fixed doses of Delavirdine Mesylate (U90152S) in combination with Zidovudine (ZDV) versus Zidovudine alone in HIV-1 infected individuals with CD4 counts of 200-500/mm<sup>3</sup>, 10/93 – 6/98

A 1592U89 open label protocol for adult patients with HIV-1 infection, 9/97 – 3/98

Randomized Phase III vehicle controlled trial of ALRT1057 Gel in patients with AIDS-related Cutaneous Kaposi's Sarcoma, 3/97 – 2/98

Optional, open label, extended use Delavirdine Mesylate treatment in triple combination for HIV-1+ patients who participated in order Delavirdine Mesylate protocols, 5/94 – 6/97

A double-blind, randomized, comparative study of Delavirdine Mesylate (U-90, 152S) in combination with Didanosine (ddI) alone in HIV-1 infected individuals with CD4 counts of <300/mm<sup>3</sup>, 10/93 – 12/95

Participation in multiple clinical trials through University of Arizona and Health Sciences Center Infectious Disease Fellowship Program, 7/88 – 6/90

Ohio State University, Department of Neurology; Roessler Research Grant; The effects of promethazine on the Na+K+ATPase pump in cellular membranes of the spinal cord of traumatized rats and dogs, 6/83 – 12/83

National Institutes of Health (N.I.A.D.D.K.) through Texas Christian University; The K+evoked release of fluoronorepinephrines from presynaptic terminals of nerve endings in rats, 9/81 – 12/81

**RECENT EDUCATION PROGRAMS / PRESENTATIONS:**

Dermatology & HIV Infection

Schenectady Family Health Services, Schenectady, NY, 4/02

New York State Department of Health – Get Tested

Woolferts Roost, Albany, NY 4/02

HIV Topics

International AIDS Conference, Cali, Colombia 3/02

Sexually Transmitted Diseases

Bellevue Women's Hospital, Schenectady, NY, 1/25/02

National Minority AETC, 12/00

HIV in Corrections

**Douglas Grant Fish, M.D.***Curriculum Vitae*

- 6 -

**Primary HIV Infection**

VA Medical Center, Albany, NY, 9/28/98

**Early Intervention of HIV**

Schenectady Family Health Services, Schenectady, NY, 8/18/98

**HIV Case Conferencing Videoconference, Moderator**

Albany, NY (statewide), 6/16/98

**HIV Malignancies**

Poughkeepsie Family Health Center, Poughkeepsie, NY, 5/26/98

**HAART and HAART Failure, Grand Rounds**

Ellis Hospital, Schenectady, NY, 4/24/98

**HIV Clinical Trials at Albany Medical Center**

Whitney Young Health Center, Albany, NY, 4/10/98

**Early Diagnosis of HIV Disease – Family Practice**

Albany Medical Center, Albany, NY, 3/23/98

**AIDS Update**

Saratoga Hospital, Saratoga, NY, 1/20/98

**ICAAC Update**

Schenectady Family Health Services, Schenectady, NY, 10/21/97

**HIV Related Malignancies**

Glens Falls Cancer Center, Glens Falls, NY, 10/16/97

**Precepted Clinics**

Schenectady Family Health Services, Schenectady, NY, 9/16/97

**HIV Related Malignancies**

Whitney Young Health Center, Albany, NY, 9/4/97

**Bacterial Infections in HIV-Infected Patients**

Whitney Young Health Center, Albany, NY, 4/3/97

**Opportunistic Infections, TB, and CMV in HIV-Infected Patients**

Albany Medical Center, Albany, NY, 3/13/97

**Occupational Exposure**

Eastern NY Occupational Health Association, 12/16/96

**Tuberculosis in HIV-Infected Patients**

Whitney Young Health Center, Albany, NY, 12/5/96

**GRANTS / PRINCIPAL INVESTIGATOR:****Patient Care Service Grants**

Ryan White Title II Energizing Communities, Principal Investigator, 7/02, New York State Department of Health

HIV Early Intervention and Primary Care, Principal Investigator, January 1, 2002 to present, since 1999, HRSA

**Douglas Grant Fish, M.D.**

*Curriculum Vitae*

- 7 -

Treatment Adherence, Principal Investigator, 1999 to present, NYS Department of Health

Education Grants

Clinical Education, Principal Investigator, July 1, 2001 to December 31, 2002, since 1998,  
New York State Department of Health

AIDS Education and Training Center (AETC), upstate local Principal Investigator, July 1,  
2001 to June 30, 2002, since 1998, HRSA
